GENERAL GUIDELINES AND RULES

We, at IEEE India Council, view our sponsors as our partners who are joining our family. This is a project we are investing in together.

As sponsors for the All India Student–Young Professionals–Women in Engineering Congress 2017, we hope you find the following beneficial:

1. Mention in all communication (both online and offline)
2. Reach to over 50000 IEEE members across India (around 35000 are students)
3. Brand name will be included in press releases, websites, newspaper publication etc.
4. Conduct promotional campaign through a stall near the main entrance of the venue.
5. Most prominent display on screen and display board at the main entrance of the venue.
6. Logo of the organization to be included in all Official Handouts
7. Recognition as our Sponsors at the Opening and Valedictory functions of the Congress
8. Logo of the society will be published on merchandise like Conference kits/bags.
9. Sponsored video pre-roll and post-roll card at the start of prominent talk sessions.
10. Valid email id's of all the attendees.
11. 3 Free conference passes.
